Community Service**

*You're  
Invited*

**To Join Us at Our Next Meeting  
as we Celebrate Life in the  
Ozarks**

Shepherd of the Hills Garden Club is a 501c(3) non-profit organization dedicated to education, conservation, community service and the beautification of our shared environment.

## Why Join a Garden Club?

Members enjoy seasonal outings, interactive workshops, and exclusive garden tours highlighting regional blooms and techniques. Meetings offer opportunities to propagate plants, exchange seeds, and share stories in a friendly atmosphere. The club focuses on building lasting friendships while allowing members to develop leadership skills and continue learning.

## Mission Statement

The Shepherd of the Hills Garden Club strives to share our love of gardening through conservation, education, and beautification projects. We are dedicated to enhancing our communities and preserving the beauty of the Ozarks. Our goal is to ensure the continuity of our organization through active membership recruitment and engagement with members of the general public.

## Monthly Meetings

Mark your calendars! The club gathers on the second Thursday in January and the first Thursday of every other month—except for July and August, when we take a well-deserved break to soak up the sunshine and tend to our own gardens.

### Program Presentations

After every business meeting, the real fun begins with lively programs led by some of the most enthusiastic gardening buffs around. Our presenters are a vibrant mix of green-thumbed specialists who simply love sharing tips and secrets about plants and the environment. Each session explores fascinating topics designed to delight everyone from budding beginners to seasoned gardeners. Expect plenty of inspiration and a few laughs along the way!

### Luncheons and Activities

Our lunches are more than just a meal—they're a chance to win big and connect with friends! Enjoy the excitement of a 50/50 raffle and the thrill of a door prize drawing. Meals are no-host, with prices typically ranging from \$14 to \$20 depending on the venue. We love to mix it up, so our gatherings rotate throughout the Tri-Lakes area, and you simply pay at the door (after sending in your RSVP). Good food, great company, and a dash of luck await!

## Giving Back

For over 25 years, our Annual Plant Sale has been our top event and primary fundraiser. Community support allows us to:

- Award two College of the Ozarks scholarships for Missouri horticulture students
- Contribute trees for Arbor Day in Branson.
- Maintain landscaping at Veterans Memorial Garden, Blue Star and Gold Star Memorials, and Bonniebrook gardens
- Add plants to Branson Humane Society and Blue Eye Library entrances

- Oversee a Bluebird Trail that has produced more than a dozen chicks so far
- Participate in Table Rock Lake Shoreline Cleanup
- Support the “Plant a Tree in Missouri” campaign

**Join us—your passion for plants helps our community thrive!**
